My girlfriend Karen is a right old flirt. A few months ago we had new neighbours so Sarah thought it would be fun to go round there first thing in the morning and introduce herself...

... dressed as a postie. She rang their bell around 8am and a lady in her mid-forties came to the door. Karen said she had a special delivery for her and her husband and asked if she could come in.

The lady of the house, Jane, showed Karen through to the living room and closed the door.

I had to sneak up to the front window to watch, and when I peered through, I saw Karen and Jane sitting on the sofa together.

Jane asked what the special delivery was, so Karen started unbuttoning her top.

Jane's face was a picture, but she soon got over the shock and was suddenly smiling.

At that moment, Jane's husband walked in from the

kitchen and saw what Karen was doing.

Karen now had her top off and her boobs were almost bursting from her bra.

She stood over Jane and leaned forward, then pulled Jane's face right into her squished cleavage.

Jane giggled as she nuzzled her melons, but then Karen undid her bra and Jane went wild.

She sucked and licked Karen's stiff nipples until her tits and face glistened with spit.

Jane's husband was getting very excited as you can

imagine, and he rubbed the bulge in his trousers as he watched the girls get acquainted.

Karen then stripped out of her skirt and knickers and stood in the middle of her room in just her long black boots, stockings and suspenders.

Jane perched on the edge of the sofa and pulled Karen towards her.

She parted Karen's lips with her fingers, then tasted my girlfriend's pink bits and began licking her depths.

I could hardly contain myself and was busting to get in there and stick my hard cock up Karen's fanny while Jane was still running her tongue around her hole.

I had someone ahead of me in the queue however, as Jane's husband was now naked and wanking his hard cock over the girls. He stripped Jane out of

her dressing gown, while the girls sunk to the floor.

Karen was on her back with her legs in the air, while Jane was on all fours sucking on her shaven pink pussy.

Jane's husband was ploughing into Jane from behind and fucking her for all he was worth.

It was then that Jane notice me at the window. Karen told them who I was, so Jane came to the door and called me in.

Soon I was undressed and taking the place of Jane's husband, fucking her from behind while he fucked my girlfriend in the mouth.

We changed around a dozen times and between us coated both girls in rivers of sticky cum.

Now, we often pop around to our new fuck-mates for a full-on session. Dressed up, of course!

John, Chester.

Anyone who's lucky enough to end up in the sack with the gorgeous Tiffany James has got no excuse for having cold ears – there's her whopping funbags to snuggle up between, and, if push came to shove, you might just be able to use her spectacular fanny flaps as well!

"Very funny – although if any man wants to keep his ears warm between my thighs while chewing on my flaps he's more than welcome!" she beams. "As long as he's got a hearty appetite!"

THE POWER OF POV!

Donkey's years ago some cheapskate porno director realised he could ditch the stud and do it all himself with a handheld camera – and the POV genre was born! Since then it's gone from strength to strength, and it's not hard to see why – it's almost like it's you, the viewer, who's in on the action. Strangely, though, the lazy git who filmed this sticks the camera on the side now and then, which defeats the object. Still, the girls are all hot and suitably slutty, with Mona Lee taking it Ana Lee being one of my favourite scenes!

Proper Charlies!

Girls (OK, women) with humungous knockers getting balled? Well alright then, if you insist! Covergirl Kristina may well be from Brazil – she's certainly got an Olympic-sized pair of knockers – and after a little tease her stud pitches up and attempts to get his mouth round her whopping areolae. She has better luck fitting his knob in her mouth, and after that it's a chubby-chaser's delight! You don't get many of these to the pound!

Dear Julia

I've always gone for girls with fringes and tattoos – in my experience they're the best in the sack! Adreena ticked all my boxes perfectly, from her perfectly trimmed hair to the fabulous ink-work, with poses ranging from classic cheesecake to fantastic close-ups of her gorgeous cunt. Did I spot the hint of a tattoo under her pubes? I envy whoever put that there – and whoever gets to see it in the flesh!

Martin, Hants.

Julia says:

Yes, we wouldn't mind a chance to get a closer look!

I dream o' Adreena!

DEAR JULIA

Dear Julia

Thank fuck you've finally got Jess West back in the pages of Escort again – I was starting to think she's retired, or fallen out with you or something. As soon as I saw her arse on the cover I knew this issue was going to be a keeper, and sure enough, it's now joined my collection of prized issues (quite a few of which have got her on the cover!), and it sure to get plenty of thumbing for years to come.

Dave, Humberside.

Julia says:

How could we possibly fall out with Jess – she's one of our all time faves!

Dear Julia

I've literally wanked myself stupid looking at the fantastic rear ends Lotti and Roxi! They've both got amazing arses, that are just crying out to have my fat prick pushed deep inside. I bet they'd love every second of it! Al, Whetstone.

Julia says:

Yep, I bet they would!

Rumpy pumpy!

RUSSIAN DOLL!

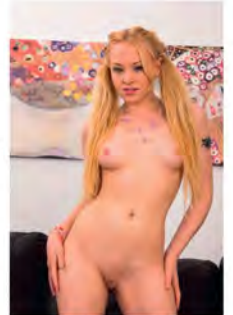

Girls like wanton Ruskie Lola Taylor don't, sadly, come along that often – young, pretty, and absolutely devoted to devouring cock! This

compilation from Private features five of her hottest scenes, in which she takes lengths every which way.

She takes

two double-dickings along the way, and I reckon she could handle plenty more from the way she goes about it!

Amber Jayne

The butterfly effect is, as we all know, when one tiny action somewhere can have a huge significance all over the world – and we reckon Amber Jayne here is the perfect example. All she has to do, say, is move her fingers a little bit to peel open that invitingly juicy snatch and, almost as if by magic, men all over the country are getting uncontrollable bonks on! "Ha, I hope you're right," she grins. "I don't need much of an excuse to finger my pussy, but if I know the guys out there are getting extra turned-on by it, then you really couldn't get me to leave it alone!"

REAL WIFE SEX

Katie's hubby misses a birthday boring!

"Put your cock in me," I pleaded with him as he fingered me in both holes simultaneously.

I'd been looking forward to a nice romantic birthday meal with my hubby for weeks, so when he finally turned up at 10.30, already stuffed and drunk, I hit the roof. He claimed he'd got confused and thought my birthday was actually the following week, and only realised his mistake after he'd had a few pints – and a curry! – with the lads. A likely story!

I grabbed the car keys and headed for the door in a complete rage. John asked me where I was going, so I said, "It's my birthday, I'm going out to enjoy myself!" I wasn't actually sure where I was going or what I was going to do but I was determined that, whatever it was, John

Paul slipped a finger inside my panties and pressed my swollen flesh.

wouldn't like it one bit.

I drove around in circles for an hour or so, mad as hell and swearing that this was the final straw, when I spotted a good looking guy waiting at a bus stop. I ran an eye over him and thought about all the things I'd like to do with him if I was single. Then I braked and told myself, "Fuck it, tonight I am single!" I drove back, stopped beside him and asked if he needed a ride. The guy was surprised but accepted gratefully. He told me his name was Paul and that he was heading home after a night out with his mates.

I decided to be quite blunt with him and told him what had happened between me and my husband, and then asked if he wanted to party before he went home. After some initial disbelief Paul was more than happy to help me out, and put his hand on my leg as I drove. He stroked my thigh and pulled up my skirt, before slipping his hand underneath the hem and pressing his fingers against the front of my panties. I opened my legs a little and enjoyed the feel of his fingertips scratching against my lacy gusset.

"Can we go back to yours?"

I asked, but he said his girlfriend was waiting for him there, so in the end we parked up in the car park behind the supermarket.

I pushed the seats back as he took his trousers off and pulled at his cock until he was lovely and big in my hand. Paul stroked me up between the legs, then slipped his fingers inside my panties and pressed my swollen flesh. He worked a finger inside me and finger-fucked me this way for a time until I was slippery all the way down to my stocking tops. I wriggled out of my panties and opened my legs and Paul darted his tongue across my cunt. He pulled back my hood and dabbed my clit again and again until my whole body was alive with pleasure. I tugged at his cock as he brought me off with his mouth, and I stretched a leg up onto the dashboard to give him total access to my dripping hole.

Paul slipped his tongue deep into my pussy, then made me gasp with surprise when he started to lick around my arsehole.

"Put your cock in me," I pleaded with him as he fingered me in both holes simultaneously. Paul got between my legs and stroked his hard length over my wet pussy. He teased me with it for several seconds before finally surging forward and penetrating me.

His prick was not only long, it was wonderfully thick and he stretched my pussy so wide that he almost brought me instant relief. He pinned my legs back and thrust deep into my sticky sex, feeding me every last inch, then drawing it slowly out and thrusting in again.

My cunt quivered around his cock as he stroked it in and out of me and I kissed him all over his face and pulled open my blouse to show him my see-through bra. My nipples were long and erect beneath the thin material and he flicked and tweaked them masterfully, without bothering to pull down my bra.

I was so excited to be doing this with someone I barely knew that I lost all my inhibitions. I fucked back against him as hard as I could, swallowing his dick again and again and whispered dirty filth in his ear as my lust swelled inside me. I clawed at his bum and wrapped my legs around him the harder he ploughed my sex and all at once I was coming. My fanny twitched around his cock and shot lightning bolts of bliss out over my body.

"Come on me," I moaned. "Do it all over me."

We lured Kelly to a quiet spot in the urban sprawl to shot these pix, and she was desperate to be spotted by a passer-by...

"I love showing off my tits and fanny in public," she confessed — like we needed telling! "Sometimes I like to sit on the tube and let my thighs fall open, until the guy sitting opposite notices. I pretend to be completely unaware of what's going on, but it always gives me a thrill to know that he's stealing glances up my short skirt, desperate to see my panties or — if he's lucky, my exposed cunt! I'm always desperate for a shagging when I get home after a journey like that!"

And we don't doubt the poor bloke opposite you feels exactly the same way!

UP for anything!

I have been seeing Ben for about 9 months now and he has turned me into a constantly horny slut who is up for virtually anything!

Ben's name for me is Slutty Sarah, and he has taken so many different cherries of mine it is difficult to know what to tell you about first.

Because of his job we only get to see each other at weekends, so that means that we fuck like rabbits when we see each other.

When we are apart it's frustrating but we have found a way of dealing with that – web cam sex!

It is a great turn on see Ben wanking his lovely hard cock on screen while he looks at me ramming myself with a couple of my vibrators, and we both always reach a lovely sticky climax.

I woke up the other morning gagging for sex, so I got my vibrators out for a wank. I was just getting into it when I decided to give Ben a treat. I took the webcam over to the

bed and recorded myself wanking off, and then sent the clip to Ben on email.

He says his favourite bit was when I had a vibro on my clit, one up my pussy, and another up my arse!

It felt great but I prefer his meat up me!

We

£90

have also started going onto a chatroom site on the internet, with women and men from all over the world playing with their pussies and cocks on screen for everyone to enjoy.

One night we gave everyone a show that a sex club in Amsterdam would be hard pushed to match, and I now get a real kick out of fucking on cam and being watched.

That night on cam he licked me out, shaved me, fisted me, brought me off with a vibrator, and then fucked me up the arse, all of it live on the internet! See what I mean about my sex life being transformed?!

am now into rubber and PVC, and my collection of sex toys and lingerie is really growing. Dressing up for Ben makes my pussy really wet, and we always end up having a great fuck together.

The next item on my list is some thigh-length high heeled leather boots.

REAL WIFE SEX

story continued from page 23

But Paul wasn't ready just yet. He held onto the back of the seat and fucked me really hard for the next 30 seconds or so, and all I could do was hang on as wave after wave of pleasure ripped through me.

Paul finally let out a moan as he neared the point of no return, then quickly pulled his dick out of me and shot his load all over my tits. Splash after splash soaked my bra and

pooled in my cleavage until the sweet smell of his semen filled the car.

After we were spent there didn't really seem to be much to say. Probably out of politeness more than anything else Paul asked if he could

see me again, but I didn't really think that was a good idea – I'd needed a good hard fuck and I'd had one, but he had a girlfriend and I still had John, for all his thoughtlessness. I

dropped Paul off near his home and drove all the way back to my place still covered in his sperm.

John was gone when I arrived home, which at the time I thought was

a shame as I wanted him to see the penalty for forgetting my birthday – and I was still feeling incredibly horny after my illicit adventure! – although on reflection it's probably better that he hadn't been around to see me covered in another man's spunk! 

**I fucked back
against him as
hard as I could,
swallowing his dick.**

Lynda

It was way back in the 1980s, when Maggie still held the keys to power and people were still buying their music on vinyl (whatever happened to that?) that Lynda Leigh made her first appearance in Escort... and well, here we both still are! We wonder if either of us will be around in another three decades? Now that'd be something to behold!

Ha-Bi Birthday!

I've known I was bi-sexual since my single days and used to go to swinging parties and enjoy threesomes with men and women.

When I got married to Steve, he'd occasionally say, "Julie, when are you going to treat me to a threesome?"

So when his 35th birthday came around, I decided to do just that.

I blindfolded and handcuffed Steve to the bed on the night, then led my friend Ann in.

Ann was an old flame from my swinging days and she was as pretty as I remembered. She had lovely blonde hair, pert little tits and as arse that cried out to be eaten.

We'd both dressed in our mid outfits, stockings, suspenders and stilettos.

I took Steve's blindfold off and smiled when I saw his face light up.

A bulge already showed through his jeans, so Ann gave it a stroke as I stripped him naked.

Naturally, we left him handcuffed to the bed and started to tease him as we ran our hands over his massive erection.

I ran my hands over Ann's gorgeous bum cheeks and gave them a gentle squeeze as she slowly stripped me

out of my clothes.

A moment later we were both stood at the foot of the bed completely naked.

I cupped her breasts and kissed and licked them, concentrating my tongue around her erect nipples.

She returned the favour, sending shivers down my spine as she sucked my brown nipples to stiffness.

Ann lay on the bed and I straddled her face and dropped my own face into her pussy.

Steve watched in amazement as I pulled her cunt lips apart and lapped my tongue across her soft, pink clit.

I tasted her sweet juices as she finger-fucked my pussy, and moaned when I felt my clit rise in her mouth.

She pushed a wet finger into my tight arsehole and we both started to shudder as we climaxed simultaneously into each others' mouths.

By now, I badly needed a cock in my mouth, so we uncuffed Steve and took hold of his prick.

By now, his balls looked as if they were about to burst, so I took his cock into my mouth and sucked him deep, as Ann kissed him on the mouth.

Ann moved down

and kissed and licked all around Steve's balls, making him moan deeply and start to cum.

I pulled his prick from my mouth and he spurted lovely warm spunk in our faces as I wanked him off over us both.

Steve was so excited that he stayed hard as rock, so I thought I'd make the most of it.

I lowered my pussy onto his rod, as Ann held me by the buttocks and

**"I TOOK HIS COCK
IN MY MOUTH AND
SUCKED HIM DEEP."**

watched every inch of his massive cock slide up inside my sodden cunt.

She squatted over him and planted her wet pussy right on his face and Steve sucked her juicy slit as me and Ann shared a kiss.

Ann then pulled a surprise from her bag, a 7in strap-on dildo and lubed my arse as I continued to fuck Steve.

She squatted behind me and drove her fat tool into my arse and the pair of them double-penetrated me all the way to a mind-blowing orgasm.

That was one birthday Steve won't forget in a hurry.

I wonder what he'll get me for mine? Perhaps he'll get one of his mates to join us...

Julie, Milton Keynes.
